

PEACEFUL POSITION WITH UNLIMITED POTENTIAL

43 Marina Crescent, Gymea Bay

Harry Seidler inspired and architecturally designed, this unique three bedroom (with ensuite to main) brick residence is set on the high side of a prestigious, peaceful cul de sac, styled to embrace and capture picturesque water views, bringing the scenic ambience of the location into the living areas.

The lovingly maintained home offers reverse cycle air-conditioning and oil heating, extensive under house storage areas, open plan living, a generous front lawn / garden and an easy care rear paved BBQ / entertainment courtyard with inground pool. Presenting an exceptional opportunity of value and a wealth of potential, the motivated owners of over 30 years want the property sold and are very keen to consider reasonable offers. Be quick or be disappointed.
